

## CBSE Class 2 Maths Updated Syllabus

### Updated Class 2 Maths Syllabus

The following table highlights the topics comprised in the Class 2 Syllabus for Maths in the new Joyful Mathematics textbook.

Class 2 Syllabus for Maths	
Chapter No.	Topics
1	A Day at the Beach (Counting in Groups)
2	Shapes Around Us (3D Shapes)
3	Fun with Numbers (Numbers 1 to 100)
4	Shadow Story (2D Shapes)
5	Playing with Lines (Orientations of a line)
6	Decoration for Festival (Addition and Subtraction)
7	Rani's Gift (Measurement)
8	Grouping and Sharing (Multiplication and Division)
9	Which Season is it? (Measurement of Time)
10	Fun at the Fair (Money)
11	Data Handling

## **Class 2 Syllabus for Maths - Breakdown of Chapters**

### **Chapter 1: A Day at the Beach (Counting in Groups)**

- Learn how to count objects in groups.
- Understand the concept of grouping for easier counting.
- Develop skills in skip counting by 2s, 5s, and 10s.

### **Chapter 2: Shapes Around Us (3D Shapes)**

- Identify and name common 3D shapes like cubes, spheres, and cones.
- Recognize shapes in their environment.
- Learn the properties of 3D shapes, such as faces, edges, and vertices.

### **Chapter 3: Fun with Numbers (Numbers 1 to 100)**

- Learn to count, read, and write numbers from 1 to 100.
- Understand place value and the importance of tens and ones.
- Compare and order numbers.

### **Chapter 4: Shadow Story (2D Shapes)**

- Identify and name common 2D shapes like circles, squares, and triangles.
- Recognize shapes in their environment.
- Learn the properties of 2D shapes, such as sides and corners.

### **Chapter 5: Playing with Lines (Orientations of a Line)**

- Understand the concept of lines and their orientations (horizontal, vertical, and diagonal).
- Identify lines in their surroundings.
- Draw and compare different types of lines.

### **Chapter 6: Decoration for Festival (Addition and Subtraction)**

- Learn basic addition and subtraction within 100.
- Understand the concepts of 'more than' and 'less than.'
- Solve simple word problems involving addition and subtraction.

### **Chapter 7: Rani's Gift (Measurement)**

- Learn to measure length, weight, and capacity using non-standard units.
- Compare and order objects based on their measurements.
- Use simple tools like a ruler and weighing scale for measurement activities.

### **Chapter 8: Grouping and Sharing (Multiplication and Division)**

- Understand the basic concepts of multiplication as repeated addition.
- Learn division as sharing equally.
- Solve simple problems involving multiplication and division.

### **Chapter 9: Which Season is it? (Measurement of Time)**

- Learn to tell time to the hour and half-hour using analog and digital clocks.
- Understand the concepts of day, week, and month.
- Relate time to daily activities and events.

### **Chapter 10: Fun at the Fair (Money)**

- Recognize and identify different denominations of money.
- Learn to count and use money for simple transactions.
- Solve word problems involving money.

### **Chapter 11: Data Handling**

- Learn to collect and organize data.
- Represent data using simple charts and graphs.
- Interpret information from charts and graphs.

### **Prescribed Textbook:**

1. Joyful Mathematics textbook for Mathematics Class 2
